**MERRY CHRISTMAS**

**HAPPY HOLIDAYS**

During the holiday season, many of us struggle with picking the proper gift to give to a family member, friend or loved one. In the past you may have purchased a gift for that special person only to discover it was never used.

At Vulcan Termite and Pest Control, we have the perfect gift for you!

Give that special person or family a Pest Control contract for an entire year for only \$320.00.

Not only will that special person think of you during the holiday season, but throughout the year as our highly trained, experienced technicians make their quarterly visits to the home. Vulcan Termite and Pest Control helps to protect the home, health and property of all our customers, thus providing a better quality of life for that family or individual.

Contact Vulcan Termite and Pest Control between now and New Years Day to take advantage of this special promotion.

For just \$85.00 per quarter or \$340.00 for an entire year you can show how much you care. Additionally, we will give both you and your special someone a gift bag to make your gift even better. Pay for the entire year contract and receive a \$20.00 discount.

Contact Vulcan Termite and Pest Control to speak with our sales department and mention the Holiday Special.
